This is a **PROVISIONAL FULL REFUSAL** of the trademark in the above-referenced U.S. application.
15 U.S.C. §1141h(c).

APPLICANT OR ATTORNEY CAN RESPOND TO PROVISIONAL REFUSAL:

The applicant may respond directly to this provisional refusal Office action, or the applicant's attorney may respond on the applicant's behalf.

NOTE: Attorneys hired to represent an applicant in a trademark matter before the Office must be eligible under 37 C.F.R. §10.14:

- (1) *Attorneys residing in the United States* who are in good standing with the bar of any United States court or the highest court of any state, may practice before the Office in trademark matters.
- (2) *A foreign attorney not residing in the United States* who is in good standing before the

patent or trademark office of the country in which he or she resides, may practice before the Office in trademark matters only in cases where the patent and trademark office of that foreign country allows substantially reciprocal privileges to those permitted to practice before the Office. Currently, Canadian attorneys are the only foreign attorneys recognized as meeting this criterion. A foreign attorney who meets the requirements of 37 C.F.R. §10.14(c) can only represent parties located in the country in which the foreign attorney resides and practices. TMEP §602.

The Office cannot aid in the selection of an attorney. 37 C.F.R. §2.11.

If an attorney does not represent the applicant, the applicant may appoint a domestic representative who would receive correspondence from the Office and be served process or notice of proceedings affecting the application. 15 U.S.C. §1141h(d); 37 C.F.R. §2.24.

THE APPLICATION HAS BEEN PROVISIONALLY REFUSED AS FOLLOWS:

The assigned examining attorney has reviewed the referenced application and has determined the following:

No Conflicting Marks Found

The examining attorney has searched the Office records and has found no similar registered or pending mark that would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02. The applicant, however, must respond to the following requirement.

Entity and Citizenship Required

The application does not contain the applicant's entity type or citizenship. Therefore, the applicant must specify its entity type and citizenship. For example, an applicant can apply as an individual, a partnership, a corporation or a joint venture. 37 C.F.R. §2.32(a)(3); TMEP §§802.03 *et seq.* If the applicant is an individual, then the applicant must indicate his or her national citizenship for the record. 37 C.F.R. §2.32(a)(3)(i). If the applicant is a corporation or association, then the applicant must set forth the U.S. state or country (for foreign applicants only) under whose laws the applicant is organized. 37 C.F.R. §2.32(a)(3)(ii). If the applicant is a partnership or joint venture, then the applicant must list the names and the national citizenship or the U.S. state or country (for foreign applicants only) of organization or incorporation of all the general partners or joint venturers, as well as specify the state or country under whose laws the partnership or joint venture is organized. 37 C.F.R. §§2.32(a)(3)(ii) and (iii).

Domestic Representative

The applicant may designate a domestic representative upon whom notices or process may be served. Trademark Act Section 1(e), 15 U.S.C. §1051(e); 37 C.F.R. §2.24; TMEP §§604, 811 and 1013. If the applicant does not designate a domestic representative, notices or process in proceedings affecting the mark may be served on the Director of the United States Patent and Trademark Office. Trademark Act Section 1(e), 15 U.S.C. §1051(e). The examining attorney provides the following example for the applicant's convenience in preparing an Appointment of Domestic Representative.

DESIGNATION OF DOMESTIC REPRESENTATIVE

Identify the mark Serial No.

Name of the applicant Date of signature

(Name of domestic representative)

whose postal address is

is hereby designated as the applicant's representative upon whom notices or process in proceedings affecting the mark may be served.

(Signature of the applicant)

Correspondence via Facsimile

To ensure the Office receives a timely response from the applicant, the applicant may wish to send the response via facsimile (fax) directly to Law Office 115. The designated fax number for Law Office 115 is (571) 273-9115.

Each transmission session should be limited to correspondence to be filed in a single application or other proceeding before the Office. The application serial number or registration number should be entered as a part of the sender's identification on a facsimile cover sheet. 37 C.F.R. §1.6(d). Applicants should wait until an application serial number is assigned before filing any document related to a new application by fax. *See* 37 C.F.R. §1.5(a).

It is recommended that each transmission include a cover sheet that, in addition to stating the application serial number or registration number, specifies the mark, the number of pages being transmitted, and the name, address, fax number and telephone number of the transmitting party.

Each facsimile-transmitted document must be legible. The preferred size of the document being submitted is 8½ inches by 11 inches, letter size or A4 paper. Because equipment used by the Office cannot print a document larger than 8½ inches by 11 inches, correspondence should not be transmitted on larger sized paper.

When correspondence is filed by facsimile transmission, it is recommended that the sending facsimile machine generate a report confirming transmission for each transmission session. This report should be retained by the applicant, along with the original correspondence, as evidence of content and date of transmission.

Unless specifically requested to do so by the Office, parties should not mail follow up copies of documents transmitted by fax. 37 C.F.R. §1.4(b). This can delay processing. TMEP §§306.04 and 306 *et seq.*

To ensure that the response is considered timely, the applicant may wish to add the following completed "certificate of transmission" to the end of its response. The applicant should keep a photocopy of its response with the signed certificate, in case the response is lost or misplaced. *See* TMEP §§306.05 *et seq.*

CERTIFICATE OF TRANSMISSION

I hereby certify that this correspondence is being facsimile transmitted to the United States Patent and

Trademark Office on the date shown below.

(Typed or Printed Name of Person Signing Certificate)

(Signature)

(Date)

The certificate of transmission procedure does not apply to the initial filing of trademark applications. 37 C.F.R. §2.197(a)(2).

Visit <http://www.uspto.gov/teas/contactUs.htm> for more information about responding by fax.

Dates of Facsimile Transmissions

The filing date of correspondence received in the Office by fax, regardless of whether it contains a certificate of transmission, is the date that the complete transmission is received by an Office fax machine, unless the transmission is completed on a Saturday, Sunday or Federal holiday within the District of Columbia. Correspondence for which transmission is completed on a Saturday, Sunday or Federal holiday within the District of Columbia is given a filing date as of the next succeeding day that is not a Saturday, Sunday or Federal holiday within the District of Columbia. 37 C.F.R. §1.6(a)(3) and (d).

For example, a 20-minute fax transmission to the Office from California starting on a Friday at 8:45 p.m. Pacific Standard Time would be completed at 9:05 p.m. Pacific Standard Time. The complete transmission would be received in the Office at approximately 12:05 a.m. Eastern Standard Time on Saturday. The filing date accorded to the correspondence is the date of the following business day, which in this case would be Monday (assuming that Monday is not a Federal holiday within the District of Columbia).

The phrase “complete transmission” means that the transmission was received in its entirety. For example, if page one of a ten-page fax transmission is received in the Office at 11:55 p.m. on a Tuesday and page ten of that transmission is received at 12:05 a.m. Wednesday, the filing date accorded to that correspondence will be the date of that Wednesday (assuming that Wednesday is not a Federal holiday within the District of Columbia).

If the sender wants the correspondence to be considered timely filed as of the date that the transmission began, the correspondence must include a certificate of transmission under 37 C.F.R. §1.8(a). *See* TMEP §§303.01 and 306.05(c) regarding the effect of a certificate of transmission. TMEP §§306.03.
